THE OREGON COAST MILITARY MUSEUM

To honor and continue the legacy of your friend or loved one in a meaningful way, consider a memorial gift to the Oregon Coast Military Museum in their name...

The idea to create a military heritage museum on the Oregon coast began in 2008 when it was realized that approximately 21% of the Florence-area residents were Veterans. Additionally, experiences indicated a lack of knowledge on the part of our youth of basic icons of our Nation's heritage such as why we celebrate Independence Day, and the significance of the Nazi swastika. We opened on July 4, 2015.

You may have supported our Museum in the past, and we ask you to consider continuing that support now. While flowers and cards can be a warm and wonderful way of expressing your love, support and appreciation of a friend or loved-one, why not continue their legacy with a constant reminder of their service to our country, with a Memorial Gift to the Oregon Coast Military Museum as a lasting tribute to that service...

With a Memorial Gift to the Oregon Coast Military Museum, your Veteran's name will be added to an attractive plaque on display in our Museum...

"In Memory of those Supporters who are no longer with us..."
